

Viktoryia Kazlouskaya, MD/PhD

347 488 8058

viktoriakozlovskaya@yahoo.com

Dermatologist – Khrom Dermatology
2797 Ocean Pkwy 3rd floor, Brooklyn, NY 11235

DEMOGRAPHICS

Place of Birth: Vitebsk, Belarus

Citizenship: USA/Belarus

Phone: 347 488 8058

EDUCATION

2004-2007 PhD in Medicine (Dermatology and Venereology), Vitebsk State Medical University, Belarus

1996-2002 M.D., Vitebsk State Medical University, Belarus

POSTGRADUATE TRAINING

2019-2020 Dermatopathology Fellowship, PGY-5, University of Pittsburgh, PA, USA

2016-2019 Dermatology Residency, PGY 2-4, SUNY Downstate Medical Center, Brooklyn, NY, USA

2015-2016 Internship in Medicine, PGY-1, Wyckoff Heights Medical Center, Brooklyn, NY, USA

2011-2014 International Visiting Research Fellow, Ackerman Academy of Dermatopathology, NY, USA

2002-2004 Residency in Dermatology and Venereology, Vitebsk State Medical University, Belarus

CERTIFICATIONS AND LICENSES

2019 Pennsylvania medical training license #MD468699

2018 New York State Medical License #295853

2013 US certification (ECFMG) of International medical graduates #07845092

2003 Dermatology and Venereology, Belarus

BOARD CERTIFICATIONS

2020 Dermatopathology

2019 Dermatology

APPOINTMENTS:

ACADEMIC APPOINTMENTS

2020-2022	Assistant Professor, University of Pittsburgh, Dermatology Department
2016-2019	Clinical Instructor, SUNY Downstate Medical Center, NY, USA
2008-2011	Associate Professor of Dermatology, Gomel State Medical University, Belarus
2007-2008	Assistant Professor of Dermatology, Vitebsk State Medical University, Belarus

CLINICAL/HOSPITAL APPOINTMENTS

2022-current	Dermatologist, Khrom Dermatology, Brooklyn, NY
2020-2022	Dermatologist, Wexford clinic, University of Pittsburgh, PA
2018-2019	Dermatologist, Brody Dermatology, Manhasset, Long Island, NY
2018-2019	Dermatologist, Khrom Dermatology, Brooklyn, NY
2014-2015	House officer physician, Department of Surgery, Wyckoff Heights Medical Center, Brooklyn, NY, USA
2008-2011	Chair, Dermatovenereology Department, Gomel State Medical University, Belarus
2007-2008	Attending, Dermatology, Vitebsk State Medical University, Belarus
2007-2008	Attending, Dermatology, Vitebsk State Medical Nursing College, Belarus

AWARDS, SCHOLARSHIPS AND HONORS

2019	Best Dermatology resident 2019 award, SUNY Downstate Medical Center
2019	AAD Resident International Grant (four weeks rotation in Botswana)
2019	ARTE travel award, The Orlando Dermatology Aesthetic & Clinical Conference, Orlando, FL
2018	ARTE travel award, The Orlando Dermatology Aesthetic & Clinical Conference, Miami, FL
2018	ASDP Mentorship Award, Mentor: Dirk Elston, MD, MUSC, 14-26 October 2018
2017	ASDS scholarship; ASDS Annual Meeting, Chicago, IL, October 5-8 2017
2017	ASDS scholarship; Resident`s Cosmetic Symposium, Dallas, TX, April 28-30 2017
2017	Poster award (top three posters), 94 th Atlantic Dermatology Conference, Toronto, Canada
2017	ODAC social media award, The Orlando Dermatology Aesthetic & Clinical Conference, Miami, FL
2017	ARTE travel award, The Orlando Dermatology Aesthetic & Clinical Conference, Miami, FL
2017	Richard B. Stoughton memorial fellowship award, British Academy of Dermatology Meeting, Liverpool, UK
2017	SUNY Downstate Professional Development Grant, American Academy of Dermatology Meeting, Orlando, FL
2011	Women`s Society of Dermatology, career and community advancement award, sponsored training in Ackerman Academy of Dermatopathology, New York, NY
2011	Research Grant supported by German Academic Exchange Service (DAAD); training in Dermatopathology in Dermatologikum, Hamburg (mentor Almut Boer-Auer); December – January 2010, June-July 2010
2009	International Society of Dermatology travel grant, World Dermatology Congress, Prague, Czech Republic
2008	Women`s Society of Dermatology travel grant, AAD meeting, San Antonio, TX, USA

- 2007 Travel grant, International Summer School “Wound management”, University of Bologna and Rimini (Italy)
- 2007 International Society of Dermatology Mentorship Award (Training in Photodynamic therapy in Florence Medical University, Department of Dermatology, June – July, 2007, mentor Torello Lotti, MD)
- 2007 Travel grant, Continuing Education Week for Practical Dermatology and Venereology (Fortbildungswoche für praktische Dermatologie und Venerologie), Munich, Germany
- 2006 International Society of Dermatology travel grant, Trilateral Meeting Dresden-Prague-Wroclaw, Prague, Czech Republic
- 2005 European Society of Dermatological Research travel grant, European Society of Dermatology Research meeting, Tübingen, Germany
- 2005 European Academy of Dermatology and Venereology Irish Scholarship, EADV meeting, London, UK
- 2004 “Janssen-Silag” company award for the best published article among dermatologists in Belarus; travel grant to attend 2nd European Academy of Dermatology and Venereology Spring Symposium, Budapest, Hungary
- 2004 International Society of Dermatology travel award to attend “Therapeutic Innovation and Dermatology and Dermato-Cosmetology” International Congress, Bangkok, Thailand
- 2003 World Fund Travel Award to attend to attend International Investigative Dermatology Meeting, Miami, FL

MEDICAL SOCIETIES:

- 2016-present - American Society for Dermatologic Surgery (ASDS)
- 2016-present - American Society for Laser Medicine and Surgery (ASLMS)
- 2005-present - Women`s Society of Dermatology (WDS)
- 2003-2011 - European Academy of Dermatology and Venereology (EADV)
- 2003-2011 - International Society of Dermatology (IDS)
- 2003-present - International Dermoscopy Society
- 2011-present - Belarusian Society of Dermatovenereologists and Cosmetologists
- 2011-present - International Society of Dermatopathology (ISDP)
- 2015-present - Pediatric Dermatology Society (PDS)
- 2015-present - The American Society for Dermatopathology (ASDP)
- 2003-present - International Union against Sexually Transmitted Infections (IUSTI)
- 2008-present - American Academy of Dermatology (AAD)

LECTURES AND PRESENTATIONS:

REGIONAL PRESENTATIONS:

1. Practical use of molecular techniques and applications in the management of skin disorders. AAD innovation meeting, 22nd July 2022, Vancouver, Canada (Section Director "Genetic and molecular updates in dermatopathology"-P14).
2. Necrotic keratinocytes in the upper epidermis in persistent plaques of Still's disease. *ASDP 56th Annual Meeting*, 18th October, 2019. San Diego, CA
3. Synchronous Primary Cutaneous Melanomas Versus Cutaneous Metastasis: Utility of Next-Generation Molecular Testing as a Tool for Appropriate Staging *ASDP 56th Annual Meeting*, 18th October, 2019. San Diego, CA
4. Cases from Brooklyn. *Meeting of the Manhattan Dermatology Society*, Mount Sinai, NY, 9th October, 2018

GRAND ROUNDS

1. "Bread and butter" cases in dermatopathology. *University of Pittsburgh Department of Pathology*, 29th June, 2022, Pittsburgh, PA.
2. Fibrohistiocytic neoplasms in dermatology. *University of Pittsburgh Department of Pathology*, 29th June, 2021, Pittsburgh, PA.
3. Interesting cases: significance of clinical pathological correlation. *University of Arkansas Grand Rounds*, 11th October, 2019, Little Rock, AR.
4. Presentation of clinical cases. *University of Pittsburgh, Dermatology Department Grand Rounds*. Pittsburgh, PA, 18th September, 2019.
5. ALK expression in epithelioid fibrous histiocytoma and dermatofibroma. *University of Pittsburgh, Dermatology Conference*. Pittsburgh, PA, 25th August, 2019.
6. Presentation of clinical cases. *University of Pittsburgh, Dermatology Department Grand Rounds*. Pittsburgh, PA, 21st August, 2019.
7. Doxycycline in treatment of bullous pemphigoid: what do we really know? *SUNY Downstate Medical Center Grand Rounds, Dermatology Department*, Brooklyn, NY, 3rd October, 2018
8. Micro-RNAs and their role in dermatology. *SUNY Downstate Medical Center Grand Rounds, Dermatology Department*, Brooklyn, NY, 11th October, 2017

9. Case of systemic lupus erythematosus complicated with aspergillosis and varicella zoster infections. *SUNY Downstate Medical Center Grand Rounds, Medicine/Rheumatology Department, Brooklyn, NY, 3rd August, 2017*
10. Photodynamic therapy in acne treatment. *SUNY Downstate Medical Center Grand Rounds, Dermatology Department, Brooklyn, NY, 22nd March, 2017*
11. Paradoxical effects of biologics. *SUNY Downstate Medical Center Grand Rounds, Dermatology Department, Brooklyn, NY, 21st January, 2017.*
12. DNA repair enzymes and their use in sunscreens. *SUNY Downstate Medical Center Grand Rounds, Dermatology Department, Brooklyn, NY, 14th June, 2017*

INTERNATIONAL ORAL PRESENTATIONS:

1. Melanocytic cases with known genetic abnormalities. VIII International Symposium on Integral Diagnostics. June 10th 2022, Bogota, Colombia.
2. Challenging cases: inflammatory conditions. VIII International Symposium on Integral Diagnostics. June 10th 2022, Bogota, Colombia.
3. Interesting cases from personal practice. *11th Vitebsk Dermatology Readings Conference. Vitebsk, Belarus, 18th April 2022 (zoom conference)*
4. Interesting cases from the Dermatology Department of the University of Pittsburgh. *Dermx Summit 2021. 29-20 October 2021. Ukraine (zoom conference).*
5. Neutrophilic dermatoses. *10th Vitebsk Dermatology Readings Conference. Vitebsk, Belarus, 5th April 2021 (zoom conference)*
6. Heavily pigmented melanocytic lesions: caveats in diagnosis. International Symposium (Simposio Internacional Virtual en Diagnostico Integral). Bogota, Columbia, 2nd of August 2020.
7. Cases from Brooklyn. *McKee Dermatology. 24th May 2019, Kyiv, Ukraine*
8. Taking care of patients with albinism. Grand Rounds, 28th of March 2019, Mochudi Hospital, Botswana.
9. Human studies on oral natural sunscreens: what do we really know? *94th Atlantic Dermatology Conference, Toronto, Canada, 7th May 2017*
10. New diseases in dermatology: Interactive online lecture. *2nd Vitebsk dermatology readings conference. Vitebsk, Belarus, 4th April, 2013*
11. Histopathology in dermatology: Interactive online lecture. *1st Vitebsk dermatology readings conference. Vitebsk, Belarus, 6th April, 2012*
12. Histopathology of lichenoid parapsoriasis. *1st International Congress of Euro-Asian Association of dermatovenereologists. Kyiv, Ukraine, 25th March, 2011.*
13. Two cases of granuloma faciale. *Symposium of young dermatologists of Polish Society of dermatology. Lodz, Poland, 11th March, 2011.*
14. Low dose doxycycline in treatment of rosacea. *Symposium of young dermatologists of Polish Society of dermatology. Lodz, Poland, 11th March, 2011.*
15. Dermatopathology diagnosis in dermatology practice. *1st Kyiv Dermatology days. Kyiv, Ukraine, 29th April, 2010*
16. A case of Malassezia folliculitis in a 18 years old patient. *10th World International Congress of Dermatology, WYD4. Prague, Czech Republic, May 20-24, 2009*
17. Treatment of inflammatory diseases associated with Malassezia yeasts with Itraconazole. *Symposium of young dermatologists of Polish Society of dermatology. Lodz, Poland, 11th March, 2007.*

18. A case of erythema annulare centrifugum in a 24 years old man. *12th Prague Dermatology Symposium Trilateral Meeting Dresden-Prague-Wroclaw*. Prague, Czech Republic; 21st September, 2006.
19. Efficacy of Itraconazole treatment in Patients with Inflammatory Diseases of the skin. *Therapeutic Innovation and Dermatology and Dermato-Cosmetology International Congress*. Bangkok, Thailand, 23rd October, 2004.
20. Efficacy of Itraconazole treatment in patients with Seborrheic dermatitis. *14th European Student`s Conference*. Berlin, Charite, 2003.

TEACHING RESPONSIBILITIES

- | | |
|-----------|---|
| 2021-2022 | Daily supervision of Dermatopathology fellows, University of Pittsburgh, 3-4 days per week |
| 2019-2020 | Educational Dermatopathology sessions with residents, weekly, University of Pittsburgh, 1 hour per week |
| 2016-2019 | Supervising medical students, rotating in Dermatology Department, SUNY Downstate Medical Center, Brooklyn, NY, 3 hours per week |
| 2008-2011 | Supervising medical students, rotating in Dermatology Department, Gomel State Medical University, Belarus, 36 hours per week |
| 2007-2008 | Supervising medical students, rotating in Dermatology Department, Vitebsk State Medical University, Belarus, 10 hours per week |
| 2007-2008 | Lecturing and tutoring nurses on Dermatology topics, Vitebsk State Nursing College, Belarus, 30 hours per year |

SERVICE RESPONSIBILITIES

- | | |
|-----------|--|
| 2008-2011 | Weekly Dermatology Consultations, Gomel Regional Dermatological and Venereological Hospital, Belarus |
| 2008-2011 | Weekly in-patient rounds, Gomel Regional Dermatological and Venereological Hospital, Belarus |

COMMITTEE MEMBERSHIP

- | | |
|--------------|--|
| 2022-2025 | World Congress Fund Review Task Force |
| 2021 | Fellowship selection committee, Department of Dermatopathology, UPMC |
| 2021 | Residency selection committee, Department of Dermatology, UPMC |
| 2020-2021 | Young Physician`s Committee ASDP |
| 2020-2021 | AAD Dermatopathology Rapid Response Committee |
| 2018-current | AAD ERG Expert Resource Group on LGBT/SGM Health |
| 2018-2019 | AAD – World Congress of Dermatology Scholarship Committee |
| 2018-2019 | AAD – Strauss and Katz World Congress Fund Scholarship Committee |
| 2018-current | Women Dermatology Society – research grant committee |

2016-current ASDP Virtual Slide Library Committee
2018-2011 Member of the PhD Expert Committee; Republic of Belarus

OTHER PROFESSIONAL AND LEADERSHIP ACTIVITIES

2019- current Administrator of McKee Derm Facebook group (closed professional group with over 16000 members)

VOLUNTEER ACTIVITIES

9 Sept 2018 "Play Safe at the Sun" (WDS supported event in Central Park, NY with free skin cancer 2018 screenings), Co-Chair

10 Sept 2017 "Play Safe at the Sun" (WDS supported event in Central Park, NY with free skin cancer 2017 screenings)

23 May 2017 Skin cancer screenings, SUNY Downstate Bay Ridge Clinic, Brooklyn, NY

2017 Next Steps Correspondent, The Orlando Dermatology Aesthetic and Clinical Conference, Miami, FL, 13-16 January 2017

2017 Camp discovery residents challenge – raising money to sponsor AAD Camp Discovery program for children with skin diseases

2017 Next Steps Correspondent, AAD meeting, Orlando, FL, 3-7 March 2017

2016-current Acral melanoma screenings, participation in SUNY Downstate screening program, multiple dates and locations

2016-2017 Consultations in the Brooklyn Free Clinic, 2016-2017

2014 "Play Safe at the Sun" event, sponsored by Women Society of Dermatology at Central Park, NY (free cancer skin screenings)

2012-2013 Volunteering in the Mount Sinai Medical School, Department of Dermatology and Hem/Onc, Yvonne Saenger, MD lab (assistance in DNA extraction, organizing databases) for research projects
